PLEASE READ CAREFULLY BEFORE SUBMITTING YOUR NEXT ORDER FOR AFRICAN VIOLETS

Due to the increased cost of shipping African Violets via Railway Express, as of November 28, 1952, plus the possibilities of freezing them in cold weather we have begun a new method of packaging same for your benefit. The cost of packing has now been increased to approximately \$2.25 per carton. This new pack will weigh about one half as much as the previous method of shavings and a double carton. So you will be saving a great deal in express charges. We must however ask you to absorb some of the cost of packaging, so we ask that you please submit an additional \$1.00 per carton, when you send your next order. We are also shipping all Violets under Protective Signature Service, and have found this most satisfactory in getting quicker delivery, and plants in better condition on arrival.

Our Cartons hold as follows:

25	2" pots	1 carton
50	2" pots	1 carton
25	3" pots	1 carton
50	3" pots	2 cartons

The above will aid you in figuring carton charges. We feel from actual experience with this new method that we can give you better service the year around at much less actual freight cost to you. The material being used was tested here at the greenhouses under severe cold and found most satisfactory, both in protection from the cold and in handling. Pot plants have been reclassified as first class freight, instead of second class as heretofore, this also should aid in getting them to you faster. This charge does not apply to our summer pack.

Our cheif interest is in being able to get your plants to you in good livable condition, and after much time and effort we feel we have the thing to do it with. We sincerely hope that this will meet with your approval and be of great help in getting your merchandise to you when you might need it.

We must however insist that any damage or freezing incurred in shipment should and must be taken up with the Express company for claim. We regret that we cannot assume this responsibility, since we grow a quality plant and pack it well. You pay insurance on all Railway Express shipments, and legitimate claims will be honored.

We take a personal interest in each and every patron, therefore we welcome any and all suggestions that will be of help to better our methods of dealing and packing.

Yours very truly,
